

# Building a Community Checklist

**Do you have . . .**

- 1. A floor plan done by hand?**
- 2. An electronic version of your floor plan with household furniture and appliances included to scale?**
- 3. A handmade three-dimensional model of your home using foam board?**
- 4. A 3D model using SketchUp?**
- 5. A write-up of dimensions and costs involved?**
- 6. A persuasive slideshow promoting your work and including cost and particulars?**

**Have you . . .**

- 7. Practiced your presentation? Who is doing what?**
- 8. Double-checked to see if you have everything you need?**
